

Hillsong United, Shout Of The King

I give You praise for You deserve it
I give You praise for what You've done
I give You praise for You are able
I'll give You praise 'til I overcome
I give You praise when the sun is shining
I give You praise in the dark of night
I give You praise when the battle rages
I give You praise 'til it works out right

Chorus:

The shout of the King is among us
God lives here in our praises
The shout of the King is among us
Praise Him
Praise Him
Praise Him in everything

I give You praise for You deserve it
I give You praise for what You've done
I give You praise for You are able
I'll give You praise 'til I overcome
I give You praise when the sun is shining
I give You praise in the dark of night
I give You praise when the battle rages
I give You praise 'til it works out right
