

Hillsong United, Sovereign Hands

Sovereign hands
Nailed to a humble cross
Scars You bear
Speak of Your redeeming love

No wonder I call You the Saviour
No wonder I'm singing

God of all the heavens
Now and til forever
High above the universe
God of our redemption
God of my surrender
The glory is Yours

Sovereign God
Laying down a holy life
Heaven's Son
Willing to be crucified

Holy
Holy
Holy Lord

Open hands
Given to a sovereign cause
All I have
God will be forever Yours
