title: Walking in the Light

album: God is in the House

words and music by darlene zschech

Walking in the light  
Following my Savior  
Jesus, never let me go  
Created in His image  
Living in the promise  
Of Jesus, Jesus, Jesus  
He'll never let me go

You cal me on to higher ground  
Your mercy, love and grace abounds  
And my soul  
Sings Your praises  
I'll walk in Your truth  
I'll walk in Your light  
Your joy and strength, it fills my life  
And my soul  
Sings Your praises

You touch my soul with holy fire  
My life, my all, my one desire  
To see, see Your glory  
You hear my prayers and set me free  
New life, new hope, my one desire  
To see, see Your glory
