

# Hillsong United, You All I Need

Your all I need, everything I'd ever hoped for  
I found in you, everything I'd ever need  
Your all I am, Everything I ever hoped to be  
I found it all in you

And all I see, everything I'd ever searched for  
I've seen in you, everything I've dreamed  
And your spirit leads me on, in the grace of Jesus Christ  
This hope that fills my soul

More glory to your name, more power to your name  
More majesty, and all Honor  
More glory to your name,  
Your kingdom comes to reign, In the glory of your name  
In the power of your spirit, and glory above.  
More glory to your name
