

# HIM, And Love Said No

And love's light blue  
Led me to you  
Through all the emptiness that had become my home  
Love's lies cruel  
Introduced me to you  
And at that moment I knew I was out of hope

Kill me  
I begged and love said no  
Leave me  
for dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no

Love's icy tomb  
Dug open for you  
Lies in a cemetery that bears my name  
Love's violent tune  
From me to you  
Rips your heart out and leaves you  
bleeding with a smile on your face

Kill me  
I begged and love said no  
Leave me  
for dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no

And love said no

And love's light blue  
Took me from you  
And at that moment I knew I was out of hope

Again

Kill me  
I begged and love said no  
Leave me  
for dead and let me go  
Kill me  
I cried and love said no  
Kill me  
I cried and love said no

And love said no
