HIM, Fade Into You

I want to hold the hand inside you I want to take a breath that's true I look to you and I see nothing I look to you to see the truth You live your life You go in shadows I look to you and I see nothing I look to you to see the truth

Fade into you Strange you never knew Fade into you I think it's strange you never knew

A stranger's light comes on slowly A stranger's heart without a home You put your hands into your head And then smiles cover your heart

Fade into you Strange you never knew Fade into you I think it's strange you never knew

Fade into you Strange you never knew Fade into you I think it's strange you never knew I think it's strange you never knew
