

# HIM, Heaven Tonight

I hold your hand in mine  
I hold your hand and you're so lonely  
Oh so lonely  
Your eyes have lost their light  
Your eyes have lost their light and you're empty  
Oh my God you're so empty

(I'm in love with you)  
You are my heaven tonight  
(I'm in love with you)  
You are my heaven tonight

Trying to find the heart you hide  
Trying to find the heart you hide in vain  
Oh in vain  
And you're my haven in life  
And you're my haven in death, Baby  
Life and Death my Darling

(I'm in love with you)  
You are my heaven tonight  
(I'm in love with you)  
You are my heaven tonight  
(I'm in love with you)  
You are my heaven tonight  
(I'm in love with you)  
You are my heaven tonight  
(I'm in love with you)

[Repeat]

That's right  
(I'm in love with you)  
That's right  
(I'm in love with you)  
That's right  
(I'm in love with you)  
That's right  
(I'm in love with you)
