

HIM, I'm Stupid

Oh I'm Stupid
Your smarter
I'm stupid
Thinking theres a way
That this could turn out right
Oh I'm dreaming
You woke up
An I should have known from the start
That you were never mine
Coz if I could make you love me
Your out of reasons to stay
Make it easy on yourself
An don't worry bout me
Don't make me feel something you don't
Oh I'm crying
But don't pity
I'm dying but just walk away
I'm gunna be alright
Coz I was dreaming you woke up
An I'm gunna miss you but I
I'm gunna be alright
Coz if I could make you love me
Your out of reasons to stay
Make it easy on yourself
And don't worry about me
If I could make you love me
Your not the one here to blame
And I will make it on my own
And don't worry bout me
Don't worry bout me
Don't worry bout me
Oh I'm stupid
Your smarter
I'm stupid thinking theres a way
This could turn out right
Coz if I could make you love me
Your out of reasons to stay
Make it easy on yourself
And don't worry bout me
If I could make you love me
Your not the one here to blame
I will make it on my own
And don't worry bout me
Don't worry bout me
Don't worry bout me
Coz if I could make you love me
Your out of reasons to stay
Make it easy on yourself
And don't worry bout me
Don't worry bout me
