

Hipjoint, Baby It's I

Baby it's I 3x

Chorus

Ooh Baby it's I

I'm the one who wants you

Baby it's I

And I'm the one you come to

Baby it's I

Ooh baby it's I

I don't understand it, Tell me why your hangin on,
He's doing for himself instead of doing for you,
He's taking you for granted, Can't you see the love is gone,
I can see it in your eyes you've found someone new,

Someone who will never leave you all alone
Someone who will tell your the only one
Somebody who's always there for you
Somebody, girl, who knows you like I do

Ooh Baby it's I

I'm the one who loves you

Baby it's I

I'm the one you run to

Baby it's I

Who gives you butterflies

Ooh Baby it's I

I'm the one who wants you

Baby it's I

I'm the one you come to

Baby it's I

Who'll love you till you cry

Ooh Baby it's I

It isn't like I planned it, I ain't tryna play no games,
You asked me what I thought, So I'm bringing the truth,
Oh yea, So don't misunderstand this, I ain't tryna make you stay,
But I can think of somebody better for you,

Ooh Someone who is gunna miss you when your gone,
Someone who you're never always waitin on
Somebody who can give you what you need
Somebody who's an awful lot like me

Ooh Baby it's I

I'm the one who loves you

Baby it's I

I'm the one you run to

Baby it's I

Who gives you butterflies

Ooh Baby it's I

I'm the one who wants you

Baby it's I

And I'm the one you come to

Baby it's I

Who'll love you till you cry

Someone who will never leave you all alone
Someone who will tell you that you're the only one
Somebody who's always there for you
Somebody, girl, who knows you like I do
Someone who's gunna miss you when your gone
Someone who you never always waitin' on
Somebody who can give you what you need

Somebody who's an awful lot like me

Ooh Baby it's I
I'm the one who loves you
Baby it's I
I'm the one you run to
Baby It's I
Yea...Who gives you butterflies
Ooh Baby it's I
I'm the one who wants you
Baby it's I
And I'm the one you come to
Baby it's I
Who'll love you till you cry ^^
