

# Hippos, Better Watch Your Back

the things you claim, I can't except the blame  
better watch your back I'm gonna win this game  
you try to phase me, you can't phase me  
I got you thinking that I feel no pain  
but I feel it...

are you insane, enjoy inflicting pain  
better watch your back I'm gonna ruin your name  
try to control me, but I'm too strong you see  
I got you thinking that I feel no pain  
but I feel it...

you try to bring me down  
you can't bring me down  
but I can bring you down
