

Hippos, The, Hold On

Lying in my bed today
Listening to my records play
Nothing seems to go my way
It's out of my hands they say
It's hard
I know
It's how it goes
Hold on
Hold on
Be strong
Yeah
Rainy summer days in May
Wishing for a sunny day
But nothing seems to go my way
It's all in my head they say
It's hard
I know
It's how it goes
Hold on
Hold on
Be strong
So listen to what I say
I don't mean to sound cliché
But nothing seems to go my way
It's hard
I know
It's how it goes
Hold on
Hold on
Be strong
It's hard
I know
It's how it goes
Hold on
Hold on
Be strong
Hold on
