

# Hit The Lights, Say What You Wanna Say

Out of friends  
At an end for sure  
When you've got no side to side with  
You'll deal with that

It's a waste  
Time it takes if you think that I  
Ever want a confession or an alibi

Just say what you wanna say  
It's not gonna change anything  
You've got it wrong  
Go ahead and blame who you wanna blame  
It's not gonna change anything  
So say what you wanna say  
Say what you wanna say

Turn it on  
Crank it up  
Get what's coming to ya  
You let your friends down  
Let me tell you how  
Aftermath  
Payback 'cause talk is cheap  
You'll lose your bite trading teeth in for your enemies

Say what you wanna say  
It's not gonna change anything  
You've got it wrong  
Go ahead and blame who you wanna blame  
It's not gonna change anything

Turn it on  
Crank it up  
Get what's coming to ya  
You let your friends down  
You let your friends down

I take it back  
Take back every single word I wrote about you  
I take it back  
Take back every single time I stuck my neck out  
And let my guard down  
Time I could have spent on anything other than you

Say what you wanna say  
It's not gonna change anything  
You've got it wrong  
Go ahead and blame who you wanna blame  
It's not gonna change anything, anything

Say what you wanna say  
It's not gonna change anything  
You've got it wrong  
Go ahead and blame who you wanna blame  
It's not gonna change anything

Say what you wanna say  
Say what you wanna say  
Say what you wanna say  
Say what you wanna say
