

# Hit The Lights, Three Oh Nine

Don't take another step until you decide  
What it is that you want and where you're sleeping tonight  
It's no skin off my back or bones,  
If you wanna go home then just say so...

Just say so long

Let go, of all that we've had  
You know we've been down this road before  
Pack your bags, dry your eyes  
It's a long walk from my house to 309

Cry all you like kid,  
It's no secret you faked it  
And it's no skin off my back or bones,  
If you wanna go home then just say so...

Just say so long

Let go, of all that we've had  
You know we've been down this road before  
Pack your bags, dry your eyes  
It's a long walk from my house to 309

By the way that your eyes  
Travel to the floor when you tell a lie  
Like the way that your eyes  
Travel to the floor when you tell a lie  
By the way that your eyes  
Travel to the floor when you tell a lie  
Like the way that your eyes  
Travel to the floor when you tell a lie...  
Like right now

Let go, of all that we've had  
You know we've been down this road before  
Pack your bags, dry your eyes  
It's a long walk from my house to 309

[repeat till end]
