

HIZAKI grace project, Solitude

My deep pain remains everlastingly

I don't want to regret

The nearest thing that is precious was missed

Here is like a maze...

Kudakechiru yozora no hoshi e ima negai wo komete

toomawari demo egaita sekai wo mitakute

Tokiori, me no mae wo yurete wa ochiru chiisa na kage ga kieteku

nagashita namida no imi wo ima toikakete miru keredo kotae wa nakute

Kaze ni fukare nagara nodo wo shimetsukerare

shinu no ga kowai kuse ni tsuyogari bakari wo itte

Kurai yami ni kodoku wo shitte mou kuzurete ochite

Tatoeba boku ga shinde kanashimu hito ga iru no? to omou kowashite
