

# Hockey, Too Fake

I'd do anything that I'm told to  
I'd even mean it if I'm supposed to  
leave me on a little  
I go for broke  
Leave me on some more  
I'd go for the big token

Everybody's watching oh but nobody cares  
Oh wait cause no  
Nobody's watching but everybody cares  
Oh whatever talk to you later

Cause I'm just too fake for the world  
I know it's just a game to me  
I'm just too fake you see  
I wish i didn't have to be but watch out  
I got too much soul for the world  
It's breaking my heart in two  
I got too much soul for you  
I don't like it but it's true

I go to church and  
I'm expected to be lost soul  
They need examples to use  
I could stay forever leave right now  
It's your call either way  
It's time to use my life for myself  
(most people just won't tell you that)  
I'm gonna use my life for someone else, yeah  
no wait wait wait wait

cause i'm just too fake for the world  
i know it's just a game to me  
i'm just too fake you see  
i wish i didn't have to be but watch out  
i got too much soul for the world  
it's breaking my heart in two  
i got too much soul for you  
i don't like it but it's true

but i can't even talk to you  
about my effect on people  
cause i'm doing the same thing to you  
that's right even right now  
oh just wait up for me if you want to but

Look out, now  
i'm just too fake for the world  
i know it's just a game to me  
i'm just too fake you see  
i hope you can forgive me  
oh now  
Got too much soul for the world  
and it's breaking my heart in two  
i got too much soul for you  
i don't like it but it's true
