

# Hog Heaven, Bumpin' Slapcar Mama

She walked right up to me and looked me in the eye  
Then said, &quot;Hey, what's your pleasure?&quot;  
I said, &quot;Let's start out slow and do a little smoke,  
Then a couple of lines of coke for good measure.&quot;  
She said, &quot;That's fine. Your time is mine.  
We'll do whatever makes you boogie.&quot;  
She always wants to do just what I wanna,  
My bumpin' slapcar mama.
