

Hog Heaven, Happy

I woke up this mornin' with a good feelin'.
Looks like it's gonna be a beautiful day.
When I rolled out of my bed, I fell on the ceilin'.
Why can't every mornin' be this way?

'Cause I am, oh, so happy,
When your tender body touches on mine,
And when you are beside me.

Telephone bell just seems to keep on a ringin',
But I don't wanna jam 'til afternoon.
My friends just keep on a-knockin' at my window,
But I just wanna be alone with you.

'Cause I am, oh, so happy,
When I wake and see the mornin' sun,
'N' feel you here beside me.
