

Hog Heaven, Prayer

Dear Lord, can we talk for awhile,
And maybe you can tell me
Why I've never seen you smile?
Is it because it's takin' so long
For everyone to separate
What's right from what is wrong?

But try to bear with us Lord,
It's turnin' our way,
It seems there are a few more minds
A changin' every day.

And one more thing Lord,
If I thought you'd say
My guitar would make
Your children happy,
You know I'd play,
Oh, I'd play.
