Eased in to the liquor store  
Beer and ice in my 4x4  
Drove down by the riverside  
Let some friends know I'm alive

Now I keep on rollin'  
The junga in my mind  
Ripin' tread on the desert lands  
It's my joy and pride

(Chorus)  
And here I go  
To whiskey row  
Got Nuthin' to show  
At whiskey row  
And we all go  
To whiskey row  
Everybody knows  
Bout whiskey row

I'm goin on my way  
To the Promised Land  
Cat lines and party chicks  
C'mon baby take my hand

Now I keep on rollin  
With Junga in my mind  
Going northbound 65  
I feel so alive

(Chorus)

I done been everywhere  
And burned up all my time  
Ain't no better that what I see?  
Whiskey bottles and girls so fine

I'm always rollin  
The junga by my side  
If heaven were a place I could be  
Well I must have died  
(Chorus)
