

Hogland, All alone

I know I can be a little tough sometimes
And I know I'm having trouble to apologize
And I pray
I pray to God that you will understand
So let's push rewind this wasn't what I planned

Yeah I know I fucked it up
Fucked it up again
But I want you to know that you're my happiness and pain
And yeah I know I called you once
Texted twice a day
Think I'm going insane
So baby let me explain

I don't wanna be alone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alone, anymore
I don't wanna be alooone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alooone, anymore

You know
This us not the way I want to be
So don't go
It will be better just believe
You turned
Every but if darkness into light
And now it's my time I'll turn my wrongs into rights
And, yeah I know I fucked it up
Fucked it up again
But I want you to know that you're my happiness and pain
And yeah I know I called you once
Texted twice a day
Think I'm going insane
So baby let me explain

I don't wanna be alooone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alone, anymore
I don't wanna be alooone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alooone, anymore

I don't wanna be alone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alooone, anymore
I don't wanna be alone
I wanna be with you
Tears are dripping on my phone
But I don't want them to
I don't wanna be alooone, anymore
