

Hoku, You First Believed

How many times did I pray
You'd find me
How many wishes on a star
Gazing off into the dark
Dreaming I'd see your face
Safe at home unafraid
Captured in your embrace

So many times
When my heart was broken
Visions of you
Would keep me strong
You were with me all along
Guiding my every step
You are all that I am
And I'll never forget

It was you who first believed
In all that I was made to be
It was you looking in my eyes
You held my hand
And showed me life
And I've never been the same
Since you first believed

There were times
When I thought I'd lost you
Fearing forever was a dream
But it wasn't what it seemed
Placing your hand in mine
You could see in the dark
You were guiding my heart

It was you who first believed
In all that I was made to be
It was you looking in my eyes
You held my hand
And showed me life
And I've never been the same
Since you first believed

How many times did I pray
You'd find me
How many wishes on a star
