

Holden Avenue, Stand Up

When feeling down Near to the ground
Stand the fuck up, take a look around
Now it's your time so
Don't get burried alive
When feeling down Near to the ground
Stand the fuck up, take a look around
Stop starring at the sun
Live your fucking life
to live is not to die
to love means to live
put all the things aside
think what you can give
Don't waste your time
You've got one life
You know it's impossible
To move back in time
Don't worry too much
You've got one life
Don't let the sorrow get you down
Just stand up, be fucking alive
