

# Hole, Be A Man

BE A MAN

The only boy I understand  
The one ashamed to be a man  
Just rape the world  
Because you can  
That's what it takes  
To be a man  
Well, knock her up  
Just slap her hand  
Prove it to me just be a man  
I think I can  
I think I can  
I'm big enough to be a man  
Tell you the truth  
I'm jealous yeah  
Give anything to be a man  
Be a man  
So impotent  
Be a man  
Ohh...  
Take off your dress  
Your master plan  
Give anything  
Just be a man  
Oh cut it off  
Of course you can  
Got what it takes  
To be a man  
Go rape us all  
Just 'cause you can  
Well give it up  
Just be a man  
The fucking wars  
The carnage yeah  
Give anything  
To be a man  
Cut it off  
I know you can  
'Cause no one cares if you're a man  
Be a man  
So impotent  
Be a man  
Ohhh...  
Can't get it up?  
I understand  
Under the gun to be a man  
I think I can  
I think I can  
I'm big enough to be a man  
Go fuck the world because I can  
I'm everything  
Oh be a man  
Go fuck the world because you can  
Give anything  
Be a man  
I'm potent yeah  
Be a man  
I'm potent yeah  
Be a man  
I'm potent yeah  
I'm potent yeah
