

# Hole, Heaven Tonight

Here comes the sun in the form of a girl  
She's the finest sweetest thing in the world  
Take you to heaven tonight  
I feel the horses coming galloping  
In the summer rain  
Take you to heaven tonight  
'Cause I love you for what you are

I'll gallop to you, tonight, tonight  
We'll ride, I'll give it to you  
We're going to heaven tonight  
Tonight

Out on the winding road I couldn't wait  
Oh baby, I was afraid  
Headed for heaven tonight  
I'll go to heaven tonight  
I feel the horses coming galloping  
I will never grow old  
I'll go to heaven tonight  
Because I love you for what you are

I'll gallop to you tonight, tonight  
We'll ride, I'll bow down to you  
We're going to heaven tonight  
Tonight

I can't believe that I can be happy  
Someone will come again  
I can't be happy  
Oh, stop your crying  
You can be happy  
Go to heaven when you make me happy

Here comes the kiss that I never had  
Nothing feels like this  
Headed for heaven tonight  
I love you

Here comes a storm in the form of a girl  
She's the finest sweetest thing in the world  
I'll go to heaven tonight for what you are

I'll gallop to you tonight, tonight  
We'll ride, I'll bow down to you  
We'll go to heaven tonight  
Tonight  
Tonight  
Tonight  
Take it tonight  
Take it tonight  
Take me tonight  
Tonight
