

# Hole, Miss World

I am the girl you know can't look you in the eye  
I am the girl you know so sick I cannot try  
I am the one you want can't look you in the eye  
I am the girl you know I lie, and lie, and lie

I'm miss world, somebody kill me  
Kill me pills, no one cares my friends  
My friend

I'm miss world, watch me break and watch me burn  
No one is listening my friends, yeah

I make my bed I lie in it  
I make my bed I die in it  
I make my bed I lie in it  
I make my bed I die in it

Cute girls watch when I eat ether  
Suck me under, maybe forever my friends, yeah  
I make my bed I lie in it  
I make my bed I die in it  
I make my bed I lie in it  
I make my bed I cry in it  
I make my bed I lie in it  
I make my bed I cry in it  
I make my bed I die in it  
I make my bed I cry in it  
My friend  
I am the girl you know can't look you in the eye
