

Hole, Nigger Of Your Dreams

In the Bible angel wing
Just because I know I will/a way
I'm the nigger of your dreams
You're the nigger you never see
Everyone can take from you and
Everyone can bleed from you
They can tear your guts out too
But why do you
Don't just jump
Just jump
Just jump
Just jump

I'm the nigger that you know
I'm your nigger, told me so
Your a nigger, I'm one too
And everyone knows what to do
Just f**king jump
