

Hole, P.Girl / Shinner

Pee Girl gets the belt
Your milk makes me melt
Pee girl has a dick
Your milk makes me sigh
Your milk makes me sick
Your milk makes me sigh
Your milk makes me sick
Forever,
You're dead
You're dead
You're dead

In the city
And I look in the sky
Why do I have to look into your fucked up eyes?
And I want it so bad, and I want it so bad
And see I put on machines
and I'm coming over
You should have seen me in.. Illinois
And I want it so bad, And I want it so bad
Yeah oh!
