

Hole, You've Got No Right

I would never bother you
I would never promise to
I would never bother you
I would never promise to
If I say that word again
I would move away from here
You won't be afraid of fear
You won't be afraid of fear
You won't be afraid of fear
You won't be afraid of fear
I am walking in the piss
Always knew it would come to this
Things have never been so well
And I have never felt so well
Hey! Yeah...
Hey! Yeah...
Hey! Yeah...
You know you're right
You know you're rights
You know you're right
You know you're rights

Whistle and I'll come inside
I no longer have to hide
Let's talk about someone else
She just wants to love herself
She moves away from here
She just wants to love herself
I won't move from here
You won't be afraid of fear
I won't move from here
You won't be afraid of fear
I am walking in the piss
Always knew it would come to this
Things have never been so swell
And I have never been so well
Hey! Yeah...
Hey! Yeah...
Hey! Yeah...
You know you're right
You know you're right
You know your rights
You know you're right
Hey! Yeah...
You know your right
Hey! Yeah...
Hey! Yeah...
You know your rights.
Hey! Yeah...
Hey! Yeah...
You know you're right
you know you're right
