

Holly Dunn, Are You Ever Gonna Love Me

ARE YOU EVER GONNA LOVE ME
Holly Dunn

I've been waiting for you baby
You've been taking your time too long
Don't be so shy, oww it's alright
This is one night you can't go wrong

Are you ever gonna love me?
Are you ever gonna come around?
I gotta know, I gotta know, I gotta know
If you ever want to hold me, then you gotta stop holdin out
If you're gonna love me, love me now

I see others being lovers, will that ever be you and me?
Please don't make me, wonder baby yes, no, maybe what will it be?

Are you ever gonna love me?
Are you ever gonna come around?
I gotta know, I gotta know, I gotta know
If you ever want to hold me, then you gotta stop holdin out
If you're gonna love me, love me now

If you're gonna love me, love me now

I gotta know, I gotta know, I gotta know

oh, are you ever gonna love me, then love me now

I gotta know
