

# Holly Dunn, Wonder Of Love

Till you I never knew what love could mean  
You taught this heart of mine so many things  
I saw another side I'd never seen and never dreamed of  
I didn't realize what it could do all the feelings I'd be going through  
Till you introduced me to the wonder of love

You made me wonder where you were at night  
Wonder how much I could cry  
And wonder what it'd take to give you up  
You made me wonder when you didn't call why I even cared at all  
Yet you introduced me to the wonder of love

You opened up a whole new world for me  
Where things are not what they appear to be  
And now I think it's time for me to leave I've seen enough  
Someday I'm gonna find somebody new and be a little wiser when I do  
Since you introduced me to the wonder of love

You made me wonder where you were...  
Oh yet you introduced me to the wonder of love
