

Holly McNarland, Beautiful Blue

From the Picture on the wall
To the bed posts that touch them all
This is where I live
This is where I do my screamin'

How do you say
I loved you in so many other ways
This is where I live
This is what I do best

Chorus
Dreamin' up so much ugliness
Wakin' up to all this beautiful blue
Beautiful you

From the time I walked in
To the point where we're both arguin'
This is how I live
This is where I start screamin'

How do you say
I've always felt this way
This is where I live
This is what I do best

Dreamin' with so much ugliness
Wakin' up to all this beautiful blue
Beautiful you

Na na na...

Dreamin' under this ugliness
Wakin' up to all this beautiful blue

Dreamin' under this ugliness
Wakin' up to all this beautiful blue
Beautiful you
Beautiful you

Na na na...
