

# Holly McNarland, I Won't Stay

If I go home  
And come back another day  
Tell me I won't miss you much  
And I won't stay

And I saw danger  
When I went to look the other way  
Didn't think I'd miss you much  
Didn't think, I know I never think  
Didn't think I'd miss you much, I forgot to think

And I got my cats and my carpets  
And my fish in my brain  
I got the walls around me  
They never change  
I got my cats and my carpets  
And the walls around me

Well hello again  
You're another hour late  
You didn't think I'd notice  
You didn't think, I know you never think  
You didn't think I'd notice  
Well you forgot to think

And I got my cats and my carpets  
And my fish in my brain  
I got the walls around me  
They never change  
I got my cats and my carpets  
And the walls around me

If I go home and come back another day  
Tell me I won't miss you much  
And I won't stay

And I got my cats and my carpets  
And my fish in my brain  
I got the walls around me  
They never change  
I got my cats and my carpets  
And the walls around me
