

Holly McNarland, Mr. 5 Minutes

Sour Pie

If I tell the truth, would you scold me
If I came for you, would you hold me
Does my nude blush you,
I can't change me
But my bridge still stands, she awaits me
And would it bother you
If I played by myself
I honestly didn't mean to wake you up
Mister five minutes, 5 more minutes please
'Cause i'm not finished, I'll finish myself
