

Holly Palmer, Did Your Mama (The Nurse Song)

Hey...
Hi!

If you don't mind me saying
You're not the most patient patient
Now just be patient
'Cause if you don't stop your game playing
I will be forced to turn your ass in....side out
And sign out

Just hold still
Just keep quiet

Did your mama tell you not to lie?
Did your mama ever make you cry?
Did your mama ever take care of you like this?

'Cause we could be effective
If you treat my treatment right
Or you're gonna get it
'Cause you're gonna get it

If you just keep still
Keep me quiet

Did your mama tell you not to lie?
Did your mama ever make you cry?
Did your mama ever take care of you like this?

Oh, oh wow. Oh gosh okay you're feeling...I'm...so happy you're out of the coma. Yeah. Umm... no

Did your mama tell you not to lie?
Did your mama ever make you cry?
Did your mama ever take care of you like this?

Did your mama ever take care of you like this?
Did your mama ever take care of you like this?
Did your mama ever take care of you like this?
