

Holly Palmer, Somebody Said What Now?

Why you look so strange?
Are you mad at me?
Was it something I said?
Have I acted carelessly?

Somebody left you these flowers
Oh and here's the card
I couldn't help but read it
Someone's trying hard

Now who's this vying for a slice of my pie?
Someone's trying for my baby

Somebody said what now?
That I did what now?
That I did what to you with who now?
Somebody said I did it
And now you believe it
Oh baby please...believe in me

'Cause someone around here is lying
Listening nodding
Double crossing spying
I didn't do you wrong baby
I don't know what you're talking about
I loved you since I saw you
And that's what I'm talking about

Now who's this vying for a slice of my pie?
Someone's trying for my baby

Somebody said what now?
That I did what now?
That I did what to you with who now?
Somebody said I did it
And now you believe it
Oh baby please...believe in me

Someone here is jealous
I don't know why
Maybe sometimes I attract some other fellas
It's not my fault they feel me
But baby I feel only you

How you gonna hear a thing like that?

Chorus
