

Holly Tree, Punk Party

i don't know why i was there, i don't know where it is
i just remember i spent the night with a punk rock girl
i drunk a lot, and there was so much people in the place
punk rock bands, i didn't stay away

there was lots of punks and we were all dancing
but the best came after the band
the band started playing ska
we all got crazy dancing in a fucking way

and all the punx dancing ska in the punk rock party

i was so happy that night i can't explain
i had a good feeling coming my way
everyone having fun, not a fuckin' cop
all the bands playing please don't stop
