

Holly Valance, All In The Mind

Come On
Baby

I'm red
I'm green
Purple and Orange
I'm the myth you've never seen
I'm the one in your dream
I can be what you want me to be
I can be your every fantasy
It doesn't Matter what you want
Cos baby it's only make believe

Scarlet Daydream
It's a red hot sex scene
I got what you want so take your best shot
Take you away I will never stop
It's a massive explosion
Magic emotion
Colors so bright
It could turn you blind
Flying faNtasy
It's all in the mind
E-I E-I

A bitch from hell
