

Holly Valance, City Ain't Big Enough

Ooh
Yeah
Ooh
Ahh

We met at work
And we played from the start
You were the DJ
I was working in behind the bar
Our love was sudden
You were doing something right
You started seeing one out of sight

In the beginning (beginning)
When you were spinning (spinning)
It was my song you were playing
I was never saying
What I was feeling (feeling)
What words I dealing (dealing)
But I can't hold it back no more

'Cos I don't wanna be friends
Baby you better know
What you I never know
You bring the light in both ends
Type of girl when you got a lot
One is not enough
City ain't big enough
Doctor, doctor
Give me something
So I can fight to the end, cos the
City ain't big enough
For both of us
Both of us
Both of us

Didn't want to turn it into a cat fight
But when the trouble it double
Baby you won't like
I wanna let it down and you came first
And if the bubble is about to burst

In the beginning (beginning)
When you were spinning (spinning)
It was my song you were playing
I was never saying
What I was feeling (feeling)
What words I dealing (dealing)
But I can't hold it back no more

'Cos I don't wanna be friends
Baby you better know
What you I never know
You bring the light in both ends
Type of girl when you got a lot
One is not enough
City ain't big enough
Doctor, doctor
Give me something
So I can fight to the end, cos the
City ain't big enough
For both of us
Both of us
Both of us

I don't want this to get ugly
But if you push it girl just trust me
If you think that this is OK
You don't know what I'm about
And boy just wipe that smile off your face
You ain't that good at all anyway
And if you think that we're friends that way
You don't know what I'm about

'Cos I don't wanna be friends
Baby you better know
What you I never know
You bring the light in both ends
Type of girl when you got a lot
One is not enough
City ain't big enough
Doctor, doctor
Give me something
So I can fight to the end, cos the
City ain't big enough
City ain't big enough

'Cos I don't wanna be friends
Baby you better know
What you I never know
You bring the light in both ends
Type of girl when you got a lot
One is not enough
City ain't big enough
Doctor, doctor
Give me something
So I can fight to the end, cos the
City ain't big enough
For both of us
Both of us
Both of us

Don't wanna be more than friends
Gonna fight until the end
Don't wanna be more than friends
Typical, one is not enough
Don't wanna be more than friends
Gonna fight until the end
