

# Holly Valance, Down Boy

Down boy  
gotta Keep down boy  
gotta keep u down if u want me with u  
(repeat)

I'm the one that you would die for  
The one you long to touch  
The one you live a lie for  
I know this much

The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you

(Chorus)  
Down boy  
won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Down boy  
won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Do anything to please me  
I got you where I want  
I know how much you need me  
Just wanna get it on

The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you

(Chorus)  
Down boy  
won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Down boy  
won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Gotta keep you down

Gotta keep you down  
Gotta keep you down  
Some things I just won't do  
Some things I just won't do  
Some things I just won't do  
Some things I just won't do

The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you

\*(Chorus repeat 2x)

Down boy  
won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
won't you bring me down boy  
Gotta keep you down  
Some things I just won't do\*
