

# Holly Valance, Tuck Your Shirt In

My name is Holly  
And I like

I'm so glad that you asked me out tonight  
Our conversation over dinner was really nice  
But don't forget you still owe me dessert  
It's 12 we missed the late show  
So let's head over to this joint that I know  
Everytime I take someone it's always such a ride

But there's a dress code  
You've got to follow  
There's no exceptions  
And once you're in

If you want TMA  
You better need to be  
Oh baby  
But before you enter  
Tuck your shirt in  
No way you'll get rid of  
Other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

La la la la la la la la la la la la la la la la

We're probably gonna need to call a cab  
Ten minute walk over there and back  
But I think it's best we  
Save our energy  
Tonight I'm really on the grind  
Otherwise I'd normally wait a while  
Before I'd ask  
Somebody to my party

But there's a dress code  
You've got to follow  
There's no exceptions  
And once you're in

If you want TMA  
You better need to be  
Oh baby  
But before you enter  
Tuck your shirt in  
No way you'll get rid of  
Other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

La la la la la la la la la la la la la la la la
