So keep on the dance rock  
Keep on the dance rocket

Move like a dance rock  
Move like a dance rocket

keep on the dance rock  
Keep on the dance rocket

Shake like a dance rock  
Shake like a dance rocket

You're hot and take your clothes  
You sweat and spit your heart  
Hits your neighbour on the  
Warm warm dance-floor  
You're hot and bite your fingers  
Screaming dirty words  
Kiss your neighbour on the warm dance floor
