

Hollywood Porn Stars, Love Idol

You know I'm back on the streets,
You know I'm black, I'm the beat boy
You know I'm always too late,
When I got to celebrate
You've got to move on my sweet girl
You bring me down on my knees girl

I also forgot my name
Talking to you, what a shame
Thank god it was so easy
You'd do anything to please me
You've got to move on my sweet girl
You bring me down on my knees girl

Chorus :
I know you love me for sure
I know your touch is so pure
When you dance in the streets
You do it to excite me
I find myself in your eyes
But they've seen some other guys

I'm always thinking about (you?)
I'm in love there's no doubt girl
As long as I have you near
I promise to be sincere
You've got to move on my sweet girl
You've got to show my your feet girl

Chorus

You gimme gimme
Gimme gimme ah ah
