Funny Man:

Hollywood Undead,  
Get it through your head,  
Download this song, put in your IPOD,  
Fuck that put it on your homepage,  
You'll be the coolest kid on fuckin myspace.

I'm at the scene club,  
Told Jeffree star to beat it,  
Cause I left her a comment  
And saw that bitch delete it  
And that's fucked up because I sent it from my sidekick  
You got beef? meet me on Franklin and highland!!

Charlie Scene:

It's Charlie scene! He aint ever lookin cheesy.  
It's Charlie scene! It aint easy being sceney.  
If I was you, I'd hate me too. We can take it to the parking like 82, AND BRING YOUR CREW!  
And I'd hate to be the one to break the news,  
Whoever chipped matties tooth  
I'll shank you too! BITCH!

That night at 82 the parking lot was stacked  
I grabbed my gat and got my hand stamped by matt

I could barely walk around cause the dance floor was so packed  
I walked to the back and lit off some black cats - BAP BAP BAP hahaha!

Scene kids, tired of gettin picked on by mean kids  
And i'd hate to be obscene kid, but have you seen my penis?  
(I HAVE)  
I know you have, cause that shit is bomb  
My dicks got more friends then Tom  
These scene clubs I run these, I should write the book how to be scene for dummies!
