

Hollywood Undead, Sell Your Soul

I'm holding on so tightly now,
My insides scream so loud,
They keep watchin', watchin' me drown,
How did it come to this?

How did it come to this, how did I know it was you?
It was a bad dream, asphyxiated watch me bleed.
The life support was cut, the knot was too tight,
They push and pull me but they know they'll never win.

Chorus:

Throw it all away throw it all away
I keep on screaming but there's really nothing left to say
So get away, just get away
I keep on fighting but I can't keep going on this way

I can't keep going, can't keep going.
On like this they make me sick,
And I get so sick of it
Cuz they won't let me, they won't let me breathe,
Why can't they let me be?

Why can't they let me be, why don't I know what I am?
I force this hate into my heart, cause its my only friend.
My lips are sewn shut, I watch myself bleed,
They push and pull me and its killin' me within.

(Chorus)

I can't keep going can't keep going on this way..

My heartbeat stumbles and my backbone crumbles,
I feel, is it real, as the lynch mob doubles.
They want blood and they'll kill for it,
Drain me and they'll kneel for it,
Burn me at the stake, met the devil, made the deal for it.
Guillotine dreams, Yeah they're guillotine gleams,
The blood of their enemies, watching while they sentence me.
Sentencing ceased, sentence diseased,
And watch them bask in the glory of their holy disease.

(Chorus)

I keep on running, I keep on running, I keep on running but I can't keep going on this way
I keep on running, I keep on running, I keep on running but I can't keep going on this way
