

# Holy Molly, Bang Bang

Da-ra-ri-ra-ra, Maria  
Just like a flower  
She was dancing in the sun  
Before he stormed in  
And messed everything around  
She can't escape him  
And she misses living wild  
Oh, wild  
Some days I'm broke, some days I'm a mess  
It's hard for me to show, it's hard to confess  
Cause I am just a human, human  
And after all, I'm bleeding alone  
Bang, bang, bang  
Maria, Maria's on the ground  
Bang, bang  
You shot her in her heart  
Bang, bang, bang  
Maria, Maria's on the ground, the ground  
Oh, no, no  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
He's like addiction  
And this love has got her drowned  
She saw it coming  
But no way to make a sound  
And in the ending  
She forgot she ever smiled (oh, smiled)  
Some days I'm broke, some days I'm a mess  
It's hard for me to show, it's hard to confess  
Cause I am just a human, human  
And after all, I'm bleeding alone  
Bang, bang, bang  
Maria, Maria's on the ground  
Bang, bang  
You shot her in her heart  
Bang, bang, bang  
Maria, Maria's on the ground, the ground  
Oh, no, no  
Bang, bang, bang  
Maria, Maria's on the ground  
Bang, bang  
You shot her in her heart  
Bang, bang, bang  
Maria, Maria's on the ground, the ground  
Oh, no, no (I'm sayin')  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
Da-ra-ri-ra-ra, Maria  
Oh, no, no, no
