

Holy Molly, Shot a friend

Wish I met him years ago, years ago
Would it be so wrong?
Would it change this song?
I knew that she had it all, had it all
Thought I'm being strong, you know

I never shot my friend
Cuz baby in the end
Nobody knows what to do with love
I'm singing lala lalalalala
I'm all alone, staring at the phone

Lost the man I never had, never had
Hard to lose a friend, hard to understand
Why you went along with that, along with that
This wasn't my plan at all

Beautiful story, no happy ending for ya
I took a bite and I then never stopped
Baby, I'm sorry
You know I'd never hurt ya
But curiosity killed the cat
