

Holy Molly, Watch Me

Param-parampam
Param-parampam

Turning all the heads in the hotel lobby
I'm going on tonight
They told me hope you like surprises
Just watch me, just watch me

Oh, baby, say my name (right now, right now, right now)
And I will take the plane (right now, right now, right now)

Oh, yeah
He looks so good
Oh, yeah
He looks so
He's a bad, bad boy a man
Always acting crazy when we dance all night
He's a bad, bad boy waiting for a sign

And just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam

I feeling looking at me and I know you want me
Guess that's what they call it, a revenge body
Since you've been gone been taking me
I'm so much better off without your energy

Oh, yeah
He looks so good
Oh, yeah
He looks so
He's a bad, bad boy a man
Always acting crazy when we dance all night
He's a bad, bad boy waiting for a sign

And just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam

Oh, baby, say my name (right now, right now, right now)
You got me like watch me, watch me
Oh, no
And now I take the plane
You got me like watch me, watch me (right now, right now, right now)

Oh, yeah
He looks so good
Oh, yeah
He looks so
He's a bad, bad boy a man
Always acting crazy when we dance all night
He's a bad, bad boy waiting for a sign

And just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam
Just watch me
Param-parampam
