

# Holy Soldier, Dead And Gone

Dead and Gone

Racing down the road to no where blinded by an evil spell, The devil hes riding shotgun a shotgun

Drunken with hell bent with anger the devil looked at me and smiled, He said have another drink m

Dead and gone Do and Die drinking driving suicide, Heading down the last road of your life, Dead a

The last thing I can remember we were driving down dead mans curve

The devil he was laughing with me a little as the car began to swerve well I hit the breaks but was j
