

Holy Soldier, In The End

Oh, It Seems We've Come So Far
Down This Road To Nowhere
Still We Don't Know Where We Are
But I Know We'll Get There

Through The Wild Unknown
Reaping Seeds We've Sewn
It's A Long Way Home
On This Road To Nowhere

We Traveled Down This Road Together
And We've Made A Lot Of Friends
We Came Upon A Lot Of Stormy Weather
Hoped For Brighter Days Around The Bend
We've Been Enticed By Every Vice
Blown Around Like Chaff Within The Wind
But Still We Follow Jesus Christ
And I Hope To See You In The End

People Come And Go
It Only Goes To Show
Nothing Is Forever
Don't You Know?
But In The End We'll See
That What Will Be, Will Be
It's Down To You And Me

I...I'll See You In The End, My Friend
I...I'll Be With You Again, In The End!
Living With Jesus And All My Friends
Together And Forever, In The End!
