

# Holy Soldier, My World

In My World, Things Are Not As They Appear,  
Looking Through Beyond The Mirror.  
In My World, It's Not Here Or Today,  
Surrounds Us All, I Can't Explain.

(Chorus I:)

When Heaven And Earth Collide,  
One Day, Hello, Good-bye.  
Across The Divine ,  
We Take A Step, It Opens Wide.

In This World, You'll Find That You Have Changed,  
Swallowed Up By That Remains.

(Repeat Chorus I:)

It's Not Here Or Today,  
Surrounds Us All, I Can't Explain.

(Chorus II:)

When Heaven And Earth Collide,  
One Day Hello, Good Bye.  
Across The Divide, And Right Before Our Eyes,  
We Take A Step, It Opens Wide.
